REQUEST TO TRANSFER SEQUENCE LISTING

Pursuant to 37 C.F.R. § 1.82(e) and M.P.E.P. § 2422.05, Applicants respectfully request that the computer readable form (CFR) of the sequence information submitted on July 21, 1999, (the last filed CFR) in International Application PCT/US99/09761 be copied for use in this application.

The paper copy of the Sequence Listing in this application, is identical to the computer readable copy of the Sequence Listing filed on July 21, 1999, in International Application PCT/US99/09761. In accordance with 37 CFR §1.821(e), please use the computer readable form submitted on July 21, 1999, in that application as the computer readable form for the instant application.

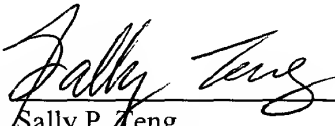

The computer readable form of the sequence listing submitted on July 21, 1999, in International Application PCT/US99/09761 was accompanied by the required statement that the "content of the paper and computer readable copies of the sequence listing are believed to be the same."

It is understood that the Patent and Trademark Office will make the necessary changes regarding the application number and filing date for the computer readable form that will be used for the instant application. A paper copy of the Sequence Listing is herewith attached for incorporation into the specification.

Respectfully submitted,

MORGAN, LEWIS & BOCKIUS LLP
